

Minutes of meeting of Transition Town Llandeilo held on 09/10/2012 at the Angel, Llandeilo at 7.30 pm

Present: Anson Allen, Gerry Gold, Katka Dvorakova, David Thorpe, Steve Brown
Apologies: Patricia Dodd Racher, John Gaffney

Matters arising

The turnout for "Jams Galore!" was poor.

Steve contacted the Growing The Future project at NBGW and was called by Mari Morgan who suggested a future event shared between them, us, and the Gardening Club. They are already doing something similar in Brechfa. **Steve will follow this up.**

The Community Groups Day at the Civic Hall was cancelled.

Midwinter Tea

This will be on 09/12 from 4 to 8 pm. Emyllt will be story-telling at 5. The raffle will be at 7 after the music.

Crafts people will be demonstrating – **Anson to ask Annie about rugmaking.**

Tipping Points – 17/10/12

Anson will introduce the meeting. It was agreed that Gerry should talk for no more than 45 minutes before throwing the meeting open.

Green Deal

David said that this had been launched "with a whimper". The database of installers and providers at www.greendeal.org.uk shows only 3 within 50 miles of Llandeilo.

The public meeting about this will not take place before 2013.

Website

David agreed to look at our current website and make a proposal for a new site with links to a Facebook page, which he would run.

Films

Anson is arranging a showing of 'The World According to Monsanto'. Katka recommended 'Taste the Waste' - <http://tastethewaste.com/info/film>

The next meeting of Transition Town Llandeilo will be at the Angel on 13th November at 7.30 pm.
