Tipping Points

A follow up meeting will be held on January 15th.

Films

Taste the Waste has now been seen by Anson, Katka, Steve and John who all agree its suitability for public screening. Katka has researched the cost of showing this film– 200 Euros. Chasing the Ice was also thought to be a likely candidate for public screening. **Katka will research screening costs for this and other possible films. John will suggest to Joanne and Ian of Cadog Film Club that they might want to make one or more joint screenings with us.** A season of several films could cover various venues around Llandeilo e.g. Carmel, Llandybie, Dryslwyn

Tyfwyr Llandeilo Growers

A useful meeting was facilitated by Rupert Dunn of the Federation of City Farms and Community Gardens which helped to focus the vision, aims and objectives of the group. Funding has now been secured for the Feasibility Study, to be conducted by Landsker. A questionnaire will be distributed as widely as possible to be followed by a public meeting in February. **Steve to make questionnaire available on the website and circulate to the TL2 mailing list.**

Food Group

The Facebook page is up and running and various new local connections have been made. Val Wood-Gaiger is keen to make links with her new foraging project. **Steve to put a link to the Facebook page on the website.**

AGM

This will be held on 12th February 2013 to allow advance publicity in The Post. It may be possible to combine the AGM with one of the other events scheduled for February. This will need to be finalised at the next meeting.

The next meeting of Transition Town Llandeilo will be on 8th January at 7.30 pm.
