Apologies: Rhiannon Rowley

Matters arising

Colin King: Anson has emailed him but received no response.

Actions carried forward:

Tim and Anson will organise this event. Anson will check whether Colin King is happy to have other speakers and a broad agenda. Gerry will organise a grant application to cover costs – Anson to send him a proposal.

Hustings 21st April

Rhiannon will chair. The only questions submitted by anyone not at this meeting came from Emyr Griffiths. It was decided that he should be invited to ask a question about windfarms. Other possible questions were discussed and assigned so that we could be sure we wouldn't run out. The plan was that Rhiannon would alternate between questions from the predetermined list and those from the floor.

Air Quality Management Area in Llandeilo

CCC are inviting comments on a proposed AQMA to cover Rhosmaen Street. **Steve to reply, stating that we are concerned about pollution levels, support the AQMA and suggesting that a weight limit on Llandeilo bridge to prevent heavy lorries from using the route, might be part of a solution.**

Sainsbury's

No planning application has yet been submitted. We shall attempt to hold a meeting in the 1st week of June.

Conscious Oil event in Carmarthen May 6th

Gerry will be speaking. **Steve will send out an email concerning this to the list.**

Community Horticulture Group

It was agreed that this should be constituted separately from Transition Town Llandeilo

The next meeting will be at the Shire Hall on Tuesday 17th May at 7.30 pm
