Tipping Points

A follow up meeting will be on 15/01/13. The article for The Post has been revised and will be in the next issue.

Provisions Market Regeneration

Gwalia have appealed to the Welsh Government Planning Inspector. Tighter links are being forged between the group and Menter Bro Dinefwr

Growing The Future

Steve to chase Mari Morgan

Website

David has prepared a new look website but points out that it will need content. The group agreed that we could between us come up with something new at least every two weeks.

Steve will contact the person in Llangadog who previously offered to translate content. If they are no longer willing or can no longer be reached, he will put out a request to the mailing list for volunteer translators.

Films

Steve and John enthused about Taste the Waste. Anson borrowed the DVD. **Katka will contact the distributors to find out how much it would cost us to screen the film. John will suggest to Joanne and Ian of Cadog Film Club that they might want to make this a joint venture with that club.**

Food Group

Mags and Katka are creating a new group called Llandeilo Food Network/ Rhwydwaith Bwyd Llandeilo, using their connections to carry on the educational work which Cymdeithas y Dalar will no longer be doing. The group will also be promoting local producers, exchanging recipes, and organising foraging walks. It has a facebook page at <http://www.facebook.com/pages/Llandeilo-Food-Network-Rhwydwaith-Bwyd-Llandeilo/391049540969840>

The next meeting of Transition Town Llandeilo will be in the Shire Hall on 11th December at 7.30 pm.
